AMENDMENT TO RESPONSE FILED FEBRUARY 4, 2003

Opposer, Coors Brewing Company, respectfully requests that its response filed February 4, 2003 be amended to reflect a request by Opposer to dismiss, without prejudice, the counterclaims in regard to Registration Nos. 1,202,255 and 1,282,740.

Specifically, Opposer notes that on February 4, 2003, it filed a response to Judge Rogers' order dated January 7, 2003. Opposer incorrectly requested, in Section II. of its response, that the counterclaims in regard to Registration Nos. 1,202,255 and 1,282,740 should not be dismissed

without prejudice. This request was incorrect. In view of the fact that these two registrations were surrendered for cancellation by Opposer with Applicant's consent, which results in the cancellation of the registrations without prejudice, the counterclaims in regard to these registrations should also be dismissed without prejudice. Opposer discovered this error on February 25, 2003, after being contacted by Applicant's attorneys, and immediately called Judge Rogers and Applicant, and informed both parties that an amendment to the response would be filed.

Opposer apologizes for this error and for any inconvenience caused to the Office and to Applicant.

Please feel free to contact the undersigned with any questions.

Respectfully submitted,

Date: March 6, 2003
